DEAR SCHOOL COMMUNITY
WE'RE COLLECTING LOOSE PARTS!

Did you know items that items you discard, could be used for play? Working together, we can make our school more fun, creative and environmentally friendly.

Currently we are looking for:

If you have items to donate, please let us know.

Contact person:

Email or phone number :

Drop off arrangements:

On behalf of the children and the school – thank you!

Why is this important?

Loose parts play will be a chance for children to play freely with friends, to investigate, discover, explore and create. Using things like tyres, nets, cable drums, and pipes, children can make a pirate ship, a den or mix up a potion. It will make our playground more creative, more inclusive and importantly, more fun for all children. Loose parts play is also part of the school's commitment to sustainable approaches.

For safety reasons, we cannot accept the following: paints, grease, oils, used batteries, sharp-edged objects and glassware. If you are unsure whether an item is suitable, please ask a member of staff. Our staff have a checklist to assess suitability of items for children's play.

Co-funded by the European Union

east lothian play association

In Scotland, the project was co-ordinated by East Lothian Play Association
